

WALTER JAMES PHILLIPS ANNOUNCES FOR RE-ELECTION

TO THE PEOPLE OF
HANCOCK COUNTY:

I would like to take this opportunity to make my formal announcement as a candidate for re-election as State Representative from Hancock County.

I am sure that most of the people of Hancock County know me and something of my background. For those who don't, I might give a short resume of my background. I was reared in Bay St. Louis and attended the Bay St. Louis Central High School, graduating from this school. After high school I attended the University of the South at Sewanee, Tennessee, and then transferred to the University of Mississippi. I enlisted in the Army as an infantry private in 1942. I was allowed by the Army to complete the 1942-43 school year at the University before being called into active service in June of 1943. I received a BA degree and completed two years of Law School before going into Infantry Basic Training, after which I was selected for Officers' Training, and after successfully completing that course, I was commissioned as a 2nd Lieutenant. I served in the Army approximately four years, being in combat with the 3rd Infantry Division, in which conflict I was wounded and received the Purple Heart. After combat, I served on General Eisenhower's staff in Headquarters of the European Theater, in the Information and Education Division.

After returning from service I obtained a Law Degree at the University of Mississippi, in 1947, and have been practicing law in Bay St. Louis since that time. I am married and have five children. In 1951 the voters of Hancock County were kind enough to elect me to the position, which I am now seeking again. While in the Legislature I was appointed chairman of the Interstate Cooperation Committee, Vice-Chairman of Judiciary, "A," and a member of the Forestry, Fisheries, Commerce

& Shipping, Temperance, and Highways and Highway Financing Committees. Since serving in the Legislature, I have been appointed on many important special committees and given special assignments. I worked with the representatives of 15 States in formulating Forest Fire Protective Compacts, which enable states to render mutual aid in case of disastrous forest fires. The Governor has appointed me a member of the Advisory Board for the Administration of the South Central and Southeastern Forest Fire Protective Compacts.

I believe that the experience that I have gained in legislative matters has been invaluable and will enable me to serve you better if you see fit to re-elect me to the position of Representative. Experience and seniority in a legislative position enables a Representative to obtain better committee assignments, gain him a more influential position, and thereby gain this on to the voters of Hancock County to keep in mind when voting for the person to fill this position. It is not my purpose to gain the various aims of my platform at this time, however, it is my intention to continue to work for more funds for the Welfare Program, to secure with the ability of our State to pay, and a more equitable method of distribution of these funds. I shall continue to work for a reduction in the personal tax on automobiles. I will continue my work for more hard surfaced roads in Hancock County and an improvement in our Highway system. I might, at this time, point out that in the last four years more than 70 miles of roads have been hard surfaced or are in the process of being hard surfaced in Hancock County, this work being done primarily with state funds. Of course, one of the main problems of our State is the School System. I shall continue, as I have in the past, to assume leadership in the improvement of the school system of the State. These are but a few things which need attention, and I shall, at a later date, point out other things which bear the attention of the citizens of the State of Mississippi. In conclusion may I respectfully solicit your vote and support for State Representative and ask you to let experience serve you.

SYLVESTER MORAN ANNOUNCES FOR CLERK OF COURTS

TO THE VOTERS OF
HANCOCK COUNTY

I wish to announce my candidacy for the Office of Clerk of Courts of Hancock County, subject to your will in the coming Democratic Primaries. During my life long residence in our County, I have served you in many capacities of public trust, being elected your County Treasurer in 1935, since that time have always been active in the political life of Hancock County. I have had actual working experience in all departments that serve you at the Court House, recently serving as Chief Deputy in the Office of Sheriff and Tax Collector. Because I feel that you know me so well, I do not deem it necessary to review any further my background and qualifications.

State all your public affairs are transacted through the Clerk's Office. I plan to de-centralize and appoint chief clerk deputies in order that each deputy will be responsible for specified assignments and shall be required to render efficient and courteous service in his or her department.

In my capacity as Registrar of voters, I plan to keep available at all times a complete list of all qualified voters in the County. This will be maintained for your use and protection of your sacred rights as a voter. My experience in locating and removing Hancock County and being familiar with actual practices of service markets will be of untold value in the State. These are but a few things which need attention, and I shall, at a later date, point out other things which bear the attention of the citizens of the State of Mississippi. In conclusion may I respectfully solicit your vote and support for State Representative and ask you to let experience serve you.

Respectfully,
Walter James Phillips.

ED LARROUX COMES OUT FOR STATE REPRESENTATIVE

TO THE PEOPLE OF
HANCOCK COUNTY

It is with seriousness of thought and after much deliberation that I offer as a candidate for Representative of Hancock County.

I do not offer the people of this County a great deal of promises as is usually customarily done, and do I offer a platform which might try to get votes from every group or groups of people in Hancock County. The past has proved that these candidates who offer the most usually perform the least.

I do want to assure you that my decision was not made too easily, and that I am not a politician, never having offered for public office before. I have been a resident of Hancock County all my life, and I do believe that I know the needs of the people of Hancock County and I believe in the progress of our County and State, and that Hancock County is in need of representation in our State Legislature.

which is unbiased and unprejudiced, and that the people as a whole of this County are entitled to such representation in its law-making body of the State.

I have no political animosity or any political axe to grind, being a new-comer in the political phase of our County Government, and I believe that I can render valuable service to all the people of this County rather than to a select few. First of all I am OPPOSED to:

1. Any sneaky Local or Private Bills which would be detrimental to the public as a whole, and only beneficial to a few.

2. To any BOND ISSUE that would deprive the voters of Hancock County the right to vote upon it.

3. To any legislation for any political groups, individuals or pressure groups. I am FOR, and will sponsor any legislation which will be for the progress of Hancock County and which will be an improvement for the People of Hancock County, including better schools, roads, and any improvement in the present old age assistance program, and an improvement in the conservation of our present fishing industry, and conservation of our timber and other natural resources.

I am a believer in trying to establish for our county small industries, located in the county as well as in the municipalities, and I am not so much in favor of a county having one large industry where the economy of the county can be destroyed upon the loss or shut-down of one industry alone.

To those of you who do not know me personally, I am forty-three years of age, and have been a resident of Hancock County all my life, and reside in Cedar Point, Bay St. Louis. I am married to Virginia Barber, formerly of Logansport, Mississippi.

I will sincerely appreciate your vote; and wish to assure you, that if elected, I shall strive for the betterment of Hancock County.

Sincerely yours,
EDWIN G. "ED" LARROUX

**POLITICAL
ANNOUNCEMENTS**

J. P. Coleman

MANNY HUBBARD ANNOUNCES FOR RE-ELECTION TO BOARD

Four years ago I promised the people of Hancock County that if elected Supervisor of Beat 5 I would conduct my office with sincerity, dignity and honesty—that my first thought would be "What will best benefit the taxpayers?"—and, that having the courage of my convictions, my vote would always go down for what I believed to be right.

I feel that the events of the past four years have proven my sincerity and desire to work for the PEOPLE.

It has not been easy sliding. There were many times I stood alone, fighting for right. However, for the most part the results were very gratifying for in many instances the people came forward individually and collectively and made known their wishes. For the first time in many years the citizens took an active interest in their County Government.

At all times I have tried to keep you informed of events that it was your right to know. When the people of a community are aware of the actions and policies of their officials, and have the civic interest to come forward and express their views, it is bound to result in a better government.

As I told you four years ago, I repeat again, "The future of your County depends upon your election of its officials—think carefully and choose wisely."

R. G. Hubbard, Jr.

CHANCERY SUMMONS
The State of Mississippi
To MRS. LOIS HUTCHINSON SCOTT, a non-resident of the State of Mississippi, and whose post office address and/or place of residence can't be ascertained after diligent search and inquiry.

You are summoned to appear before the Chancery Court of the County of Hancock, in said State, on the Second Monday of June A. D. 1955, to defend the suit No. 1289 in said Court of HAROLD P. SCOTT, wherein you are a defendant.

This 17th day of May, A. D. 1955.
J. A. C. MITCHELL,
Chancery Clerk.

SSC Orchestra Presented Jazz Concert Friday

The St. Stanislaus Rocksters, the school's student dance orchestra, held a special jazz concert, Friday in the St. Joseph Academy gym.

Part of the program included a "Hit Parade" of the songs chosen by the students of St. Stanislaus and St. Joseph in a poll taken last week.

This list included such currently popular songs as Cherry Pink and Apple Blossom White, the ballad of Davy Crockett, Hearts of Stone and Walkover.

Kern's 5 & 10

If you had the money which would you choose?

What's your fondest dream? A deep-sea fishing trip? A vacation in Europe or a new car? Sendin your children to college? Or buying a beautiful new home?

If you open a savings account in an insured Savings and Loan Association—and add to it regularly—your dream, whatever it may be, will someday come true!

Right now the American people put more savings account dollars into insured Savings and Loan Associations than anywhere else!

There are good reasons for this preference—three good reasons, in fact:

1. You get excellent returns. That's because the Associations invest most of their funds in second, steady-paying home mortgages.
2. Your money is as safe as safe can be. It's protected by good mortgage "securities" and a Federal

Insurance. And it's insured up to \$10,000 by Federal Savings and Loan Insurance Corporation—an agency of the U. S. Government.

If you're dealing with responsible people, you'll own home town. Friendly people. People who really know—and care about you and your community.

And here's another point: When you're thinking of buying a home, remember that Savings and Loan Associations are the largest single source of home mortgage loans. They see to it that you make the money quickly—and at moderate rates.

Why not drop in soon at your nearest insured Savings and Loan Association. You'll be glad you did!

City Echoes

Plenty of socializing of an informal variety at the home of Dr. and Mrs. A. P. Smith the past weekend, what with guests all over the place and Little Theatre rehearsals, too.

Mr. and Mrs. George Deniger of New Orleans, Mr. and Mrs. Jack Fagan of that city and friends of theirs, who are students at Tulane, were among the visitors.

Sunday, the Little Theatre crowd came in to join them. Mrs. Smith and her daughter Bea are the point directors for the next play at the Boardman Avenue Theatre. It's going to be "Seven Keys to Baldpate" and naturally Dr. Smith's family is going to claim a lot of professional help with the production. Drs. Bert Quigley and Charles Wasson are to be in the cast.

by Mesdames Rayburn and Walter Carver.

The bride is the former Shirley Lizana. Her party was attended by a large number of guests.

Decorations used for the occasion were arrangements of glads and hydrangeas.

Mr. and Mrs. Louis Wyman had as their guests this past weekend Mrs. Lillian Alexander of New Orleans; Mr. and Mrs. W. E. Malone of Crystal Springs, Miss., and Mr. and Mrs. Clayton Wooley of Jackson, Miss.

Dr. E. C. Samuel and Dr. John F. Dicks took a drive over to Lewisburg, La., this week to visit a close friend and classmate of theirs, Dr. Buddy Smith.

The pretty and unusual new home on Citizen is completed and after all the harrassment of building is behind them, Mr. and Mrs. Lloyd Griffith are delighted to be at home there.

A small bridge party was given by Mrs. George Lehner at her home on North Beach Wednesday afternoon. Invitations were for the afternoon. Mrs. Lewis Wagner, Mrs. John Griffin and Mrs. E. C. Samuel.

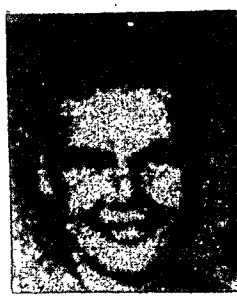

Invitations have been issued for a luncheon and bridge party to be given by Mrs. N. L. Carter on Thursday afternoon of this week. No special occasion, says the vivacious hostess—just a party for friends.

Mr. and Mrs. L. E. Gately of the Gately Marble Works in New Orleans, were weekend guests of Mr. and Mrs. Charles J. Van Trier.

Captain Wilson Wittesberger

The TEEN TATTLER

By DONALD BYRD

Sleep, Sleep, Sleep, won't they ever get enough sleep! There was another Bay High senior slumber party Friday night. Rosemary Millinary threw one at Dr. Keefe's house on Cedar Lane. Everyone had a rip-roarin' time.

There were some mighty

sailed this past week for points European.

Guests of the Joseph Zengarlins over the weekend were Mr. and Mrs. Eugene Funk, Mr. and Mrs. John Funk and children of Baton Rouge; Mr. Claude Bourgeois and son Charles, Jr., of New Orleans; Mrs. A. C. Carrera, Miss Peggy Thibadeaux of Baton Rouge. The group enjoyed a big family picnic on the beach at Lakeshore Sunday.

tired girls Saturday afternoon after the slumber party—Rusty Breath, Nolen Ladner, Connie Ripple, Carol Sue Banderet, Ann Prator, Shirley Miller, Julie Blanchard, and Darling Norman. These poor girls were hostesses serving food at a picnic at the Star Route Farm.

Tuesday morning several seniors received awards for outstanding deeds throughout their last four years at Bay High. They were Donald Cole, Chuck Moran, Kent Sellar, Wheeler Hartsfield, Darling Norman, Rosemary Millinary, and Gary Stoufflet. Mr. Fortenberry the High School Principle stated that Gary was probably the best all around student that Bay High ever had.

Mr. and Mrs. Currie Collins Garner of Laurel and Bay St. Louis, Mississippi, have announced the engagement of their daughter, Gail Marie to Mr. Warren Benjamin Seely, Jr., son of Mr. and Mrs. Warren Benjamin Seely, of Pascagoula.

The wedding will be solemnized July 2nd at the Immaculate Conception Church in Laurel.

Mrs. Garner is the former Miss Judith Maufray, daughter of Mrs. Joseph O. Maufray and the late Mr. Maufray.

Keith Weds Bernard Farr

Miss Ann Theresa Reith of Fort Smith and van Buren, Ark., were flower girls.

The bride's attendants, dressed alike, had champagne formal of taffeta and tulle, styled with floor length skirts made in tiers and bodices with off-the-shoulder necklines. They carried colonial bouquets of Nile green daisies and wore matching floral head dresses. The flower girls wore tulle dresses of Nile green.

Mr. Farr was his son's best man. Tony Reith and James Straughan were groomsmen and Bobby Fayard and Robert Keith were ushers. Those attending the wedding from Bay St. Louis were Mr. and Mrs. Roger Reinkne, Mrs. Frank Trapani, Miss Bonnie Rapier, Miss Patsy Favre, Miss Geri Martin, Mr. Theo Morrell and Mr. Luke Pecheu. Attending from New Orleans were Mr. and Mrs. Leo Preaporus, Mr. James Straughan, St. James Straughan, Jr., Mrs. Lillian Lebat and Mr. Henry Farr; and from New Iberia, La., Mr. and Mrs. J. D. Corley and son, Hollie.

The Good Neighbors Club of Cedar Point had its regular meeting this past week, with 18 members present to enjoy the games and refreshments.

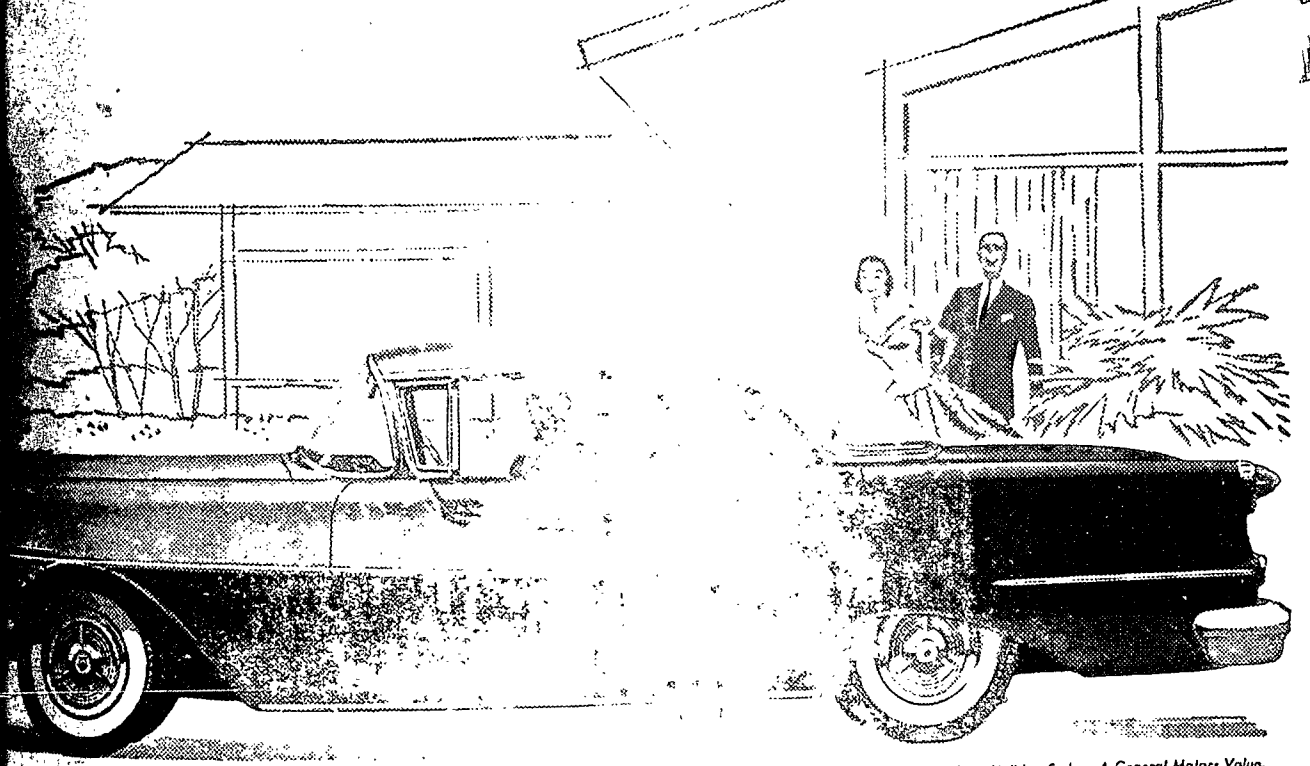

Mrs. Robert Shubert, whose marriage took place recently, was honoree at a miscellaneous shower given last week.

Attending from New Orleans were Mr. and Mrs. Leo Preaporus, Mr. James Straughan, St. James Straughan, Jr., Mrs. Lillian Lebat and Mr. Henry Farr; and from New Iberia, La., Mr. and Mrs. J. D. Corley and son, Hollie.

The Strikes End

First the LAN and now the telephone strike have ended and we all sigh with relief.

The railroad strike was especially taxing in this community. Since Hancock County is served by only one railroad, mail and freight service was badly hampered. Commuters were especially hard put.

There was some bitterness over this strike and the unfortunate. But strikes always produce bitterness. They are costly too. Neither the LAN nor its employees can ever recover the money they lost while the market lines were strung from Louisville to New Orleans.

Bay St. Louis and surrounding territory was not so affected by the telephone strike. After the first few harried days, service was almost normal. The rash of cable snatching—something that's inexcusable because it actually imperils lives—was the principal headache here. And the emergency repair crews worked so swiftly and efficiently that many of the calls, thus never knew a thing was amiss until they read about it in the newspaper.

The phone company, we think, fought properly for a proper objective. When a union signs a contract, it must be willing to abide by that contract for its duration. And that was the principal issue in the phone strike. The union wanted to be able to call strikes despite the existence of the contract.

There is no doubt that in an organization as big as Southern Bell some employees will suffer injustices even under the protection of the union contract. But these will certainly be minor injustices. And the cancellation of phone service is not a proper remedy for an employee who has been denied for too many trips to the wash room.

No telephone company employee will suffer any major calamity as a result of this new clause in the contract.

The strike itself was ill advised. It was a poor issue on which to strike. You could never work up public sympathy over a plea for the right to break a contract. That's over simplifying it, of course. But basically that was the issue in the phone company strike.

We hope that time will heal the strikers' bitterness quickly. The great majority of them walked out honorably, and can return the same way.

To Mrs. Ruth Lefner Shambeck, General Delivery, New Iberia, Louisiana

You are summoned to appear before the Chancery Court of the County of Hancock, in said State, on the Second Monday of June A. D. 1955, to defend the suit No. 525 in said Court of MRS. VIOLA LADNER PAGE, Administratrix of the estate of LONZO LADNER, deceased, wherein you are a defendant.

This 9th day of May A. D. 1955.
SEAL: A. C. MITCHELL, Chancery Clerk.
By Marguerite M. Mitchell, D. C.

CHANCERY SUMMONS

THE STATE OF MISSISSIPPI

To the Heirs at Law of JOSEPH EUGENE, Deceased; and Heirs at Law of ALICE DUPRE EUGENE, Deceased; and any and all other persons having or claiming any interest in and to the following described property, to-wit:

Lot 119, Fourth Ward, City of Bay St. Louis, Mississippi, as per the official plat thereof

made by E. S. Drake, C. E., and filed in the office of the Clerk of the Chancery Court of Hancock County, Mississippi, on May 1, 1923.

You are summoned to appear before the Chancery Court of the County of Hancock, in said State, on the Second Monday of June, A. D. 1955 to defend the suit No. 736 in said Court of Edward Eugene.

The same being a suit to place heirs in possession of said land above described wherein you are a defendant.

This 9th day of May, A. D. 1955.
SEAL: A. C. MITCHELL, Chancery Clerk.
By Marguerite M. Mitchell, D. C.

ORDINANCE NO. 155

AN ORDINANCE RESTRICTING TRAFFIC ON CERTAIN STREETS IN THE CITY OF BAY ST. LOUIS

SECTION I. BE IT ORDAINED by the Board of Mayor and Commissioners of the City of Bay St. Louis that no motor, truck, tractor, automobile, trailer, or any vehicle of any kind whose combined weight of body and load exceeds five (5) tons, passenger buses excepted, shall be permitted on any of the following streets or avenues in the City of Bay St. Louis except for the purpose of immediate loading or unloading articles at some point within the particular block of said streets:

NORTH BEACH BOULEVARD
SOUTH BEACH BOULEVARD
SECTION II. BE IT FURTHER ORDAINED that any person, firm, individual, or corporation violating or failing to comply with any of the provisions of this ordinance shall be punishable by fine of not more than \$50.00, or by imprisonment in jail for not more than thirty (30) days, or both imprisonment and fine at the discretion of the Court.

SECTION III. BE IT FURTHER ORDAINED that Ordinance Number 18, and Ordinance Number 24 amending Ordinance Number 18 be, and the same are hereby repealed.

SECTION IV. BE IT FURTHER

THEY ORDAINED that this ordinance, public necessity demanding, due to the present deterioration of the heretofore set out streets by the present heavy traffic shall be in force and effect from and after its passage without publication.

The above and foregoing Ordinance having been read and considered section by section at a public meeting of the governing authorities of the City of Bay St. Louis held on this the 19th day of April, A. D. 1955, and the vote on the final passage was as follows:

Those voting yes: John A. Scarside
J. Cyril Glover
Sylvan J. Ladner
Those voting nay: None.

CHANCERY SUMMONS

The State of Mississippi

To FERDINAND TANGUIS, a non-resident of the State of Mississippi, and whose postoffice address and-or place of residence could not be ascertained after diligent search and inquiry.

Here's why PONTIAC WINS BUYERS FROM EVERY OTHER MAKE

It's a king-size luxury car—biggest at its price!

Pontiac is a big, roomy car. Here it is: A car with 122" or 124" wheelbase—longest in its price field, even longer than some models in the top price range—and with true big-car stability to match. Luxury is in key. For quality of fabrics, conveniences and appointments, Pontiac compares with the costliest cars.

It's America's topmost value—Greatest buy of any year!

Pontiac is selling at the fastest rate of all time for this simple reason: America agrees—when you can get the size, power, beauty and luxury you want at Pontiac's easy price, that's the place to put your money. Come in and get all the facts.

It's a 200-horsepower performer—Most powerful at its price!

As the only car with the Strato-Streak V-8, Pontiac has a big performance advantage. This new and most efficient V-8 engine—Pontiac to provide more power than any car has ever delivered at this price—a full 200 horsepower—the four-barrel carburetor, an exact cost option; 180 H.P. is standard.

You can buy a big, 200-horsepower Strato-Streak V-8

Pontiac for less than many models of the lowest-priced cars and for much less than stripped economy models of higher-priced makes—none of which equal Pontiac in combined power, size and future-fashionable beauty.

It's a future-fashionable beauty—Most distinctive at any price!

Style-conscious motorists turn to Pontiac for true mode-of-tomorrow design, beautifully different from any other car on the road. Exclusive Vogue Two-Tone styling, Twin-Straked hood and low, rakish lines give you a car that you know will remain a prideful possession for many years to come.

When you buy insurance...

... buy from an agent...

... who can keep an "insurance eye" on your family—or on your business—so you can have the proper protection.

Are you in the same position financially that you were in five years ago? No! But if you buy insurance from an agency or company that can't keep a personal eye on your financial growth, you may wake up to find your insurance years out-of-date. Trust us to keep our eye open for your interests.

Notes

CHECK WIRING

"Safe electric wiring does not necessarily remain safe. It is good insurance to periodically examine carefully every foot of electric wiring. Look for loose connections, damaged insulation, frayed or broken surfaces and loose switch box connections.

Fires of "undetermined origin" are sometimes suspected to be caused by neglected electrical wiring.

Lightning rods are effective in protecting buildings against lightning damage. However, such systems can be worse than useless if ground connections are loose or broken. The grounding rod must be firm in the soil and extend downward to permanently moist earth. Connections to the grounding rod must be absolutely tight and metal to metal.

By keeping personal and fire hazards constantly in mind while working around the farm, most hazards can be discovered and eliminated.

MULCHING

Most home gardeners know the value of a good mulch. It helps keep down weeds, retains heat in roots of plants and tends to help hold moisture in the soil.

Mulching is also a valuable aid in pruning covers in ugly eroded land. Mulching protects the area from further eroding while seed and fertilizer do a repair job of the land.

Mulches of damaged hay, straw, pine needles, etc. are inexpensive and simple to use. By preventing washing of the soil, they hold the cover crops seed and fertilizer in place. The mulches give young plants an added boost by holding moisture in the soil and protecting them from drying effects of sun and wind.

RECORDS

One of the best hand tools a Mississippi farmer can use this year is a lead pencil. This pencil should be used for keeping a complete set of farm records.

To be of maximum value farm records should contain inventories both at the beginning and end of the year; production records on crops and livestock; a record of farm expenses; a record of sales and other cash receipts; and a summary at the end of the year.

To keep a usable farm record, a farmer needs a record book; a place to keep the record book along with bills, re-

ceipts, sales slips, and other similar papers; the determination to make entries in the record book at the time they occur; and the habit of making entries in detail.

COTTON INSECTS

Do not forget drupes control on seedling cotton. Such control will help the young plants off to a better start, reduce loss from seedling diseases and make for a earlier harvest.

Complete directions for drupe control are found in the "Cotton Insect Control" for 1957. It is available free at your county agents' office.

CORN

One of the priorities in 1957 is to get corn seedlings started early.

Plant corn in corn landings deep early and shallow in the soil and extend downward to permanently moist earth.

Seed at the rate of 2 to 3 bushels per acre. Plant in rows 30 to 40 inches apart. Plant an adapted variety for South Mississippi—Coker 11, Delt 12 and 14, or Delta 15.

Perennial property—fertilize with 100 pounds of 16-16-16 per acre. Use 50 pounds of 16-16-16 per acre. This is a good rule of thumb. Keep weeds out. They will eat the plant food and have a lot of room for the corn.

COTTON

Planting cotton seed in soil with weeds is a mistake. Weeds are a pest to the cotton plant. Weeds are a pest to the cotton plant. Weeds are a pest to the cotton plant.

Let the soil warm up. Soil temperatures below 60 degrees Fahrenheit are not good for cotton seedlings.

Replacing is expensive—seed are scarce, date of harvest delayed and cost of insect control increased. Use good seed of a recommended variety. County agents have lists of the recommended varieties for your area.

Hill dropped cotton should be thinned to 2 to 3 stalks per hill, depending upon whether spacing in the drill is 6 to 16 inches apart on 40 inch rows. On fertile soils and where higher rates of fertilizer are applied, the number of plants should be increased with wider spaces in the drill. If irrigation is to be used, indications are that 4 or more stalks per hill, 12 to 16 inches apart will

Baptist Church

To Hold Children's

Bible School

The Waveland Baptist Church will hold a children's Bible school from May 20 to June 1. The classes will be held in the church building.

The school is extended to children from the ages of 5 years to 12 years. The classes will be held in the church building.

A special service will be held on May 27 at 7:30 p. m. at the church building.

Baby Contest

Set For Kiln

A baby contest will be held at the Kiln Baptist Church on May 27. The contest is for babies under the age of 1 year.

5 ways to save a dime on your electric bill

- 1 Shut off your refrigerator for a week. (Your food will spoil but you'll save ten cents' worth of electricity this way.)
- 2 Miss 20 of your favorite half-hour television programs. (You'll miss cover events of pleasant entertainment but you'll save ten cents' worth of electricity.)
- 3 Don't iron Dad's shirts for a month. (He'll be unhappy about the wrinkles but you'll save ten cents on 25 shirts.)
- 4 Hand-scrub 30 tubs of laundry. (Your clothes will be dirty and your back aches but you'll save ten cents' worth of electricity.)
- 5 Don't let Dad use the lamp by his easy chair for a couple of weeks. (You can burn a candle with the ten cents you save on the cost of burning a 100 watt bulb for 50 full hours.)

When you compare convenience with cost, don't you agree that the pennies you save for electricity give you more for your money than anything in your family?

We're your new GMC dealer

offering *Blue Chip* trucks and expert service

TODAY—there's a new hand extended to greet everyone visiting this GMC headquarters. We hope we'll be welcoming you—soon.

Our aim as we start operations is a simple one: To bring the finest service of all kinds to every truck-user in this area.

We're proud to display the spectacular '55 GMC's—representative models from the Blue Chip line that's electrified the trucking world. Here you can see—and road-test—extra-rugged new light-duties really too good looking to be called trucks.

And you can get the story on the other Blue Chip GMC's: New 8' dual-purpose

cash models with low step. 65 new Hydra-Matic and 15 A big, new line of 10-wheelers. And Diesel haulers more efficient than ever.

You'll find our Service Department blue chip, too. Our expert mechanics have the latest equipment for clearing up truck troubles on any make, or model—quickly, reliably, and at reasonable cost. Our Parts Department is freshly stocked to meet any replacement need.

So whether you're new truck shopping right now—or just looking—come in and say "hello." Find out how little it costs to get a Blue Chip truck—and the best truck service in town!

RECIPE OF THE WEEK

By Mary Lee Taylor

Scalloped Ham and Eggs

1 can cream of mushroom soup
1/2 cup Per. Evaporated Milk
1/4 teaspoon salt
Few grains pepper
1 cup diced, cooled or canned ham
4 hard-cooked eggs, sliced
2/3 cup fresh bread crumbs
4 teaspoons melted butter or margarine

Grease a baking dish holding about 4 cups. Mix in the baking dish the soup, milk, salt and pepper. Fold in ham and eggs. Sprinkle top with a mixture of bread crumbs and butter. Bake on center rack of 375 oven (high moderate) about 25 min., or until bubbly hot. Makes 4 servings.
